Featuring SE Asia's largest mall - the upcoming Bangkok Mall, multiple renowned International Schools, BITEC Convention Centre, Navy Golf Course, all only 25 minutes from Suvarnabhumi International Airport.

Very Lasalle is a low rise residential complex of 8 floors and just 93 units. Uniquely all the units at Very Lasalle are large 2 bedroom types ranging from 60m<sup>2</sup> – 73m<sup>2</sup> with kitchen island feature and 100% allocated car parking. These larger units can be hard to find in the marketplace as developers supply unit sizes that are typically much smaller. For investors, we always try to find residences that offer something different than competitors. Many buyers and tenants are eagerly searching for larger unit sizes but supply is limited and this makes Very Lasalle stand out from the crowd.

Continuing the concept of spacious living, ceilings in every condo feature extra height. Furthermore all units are offered fully fitted including electrical appliances such as refrigerator and washing machine. A few extra items of loose furniture will be required to finish your property which Find Thai Property furniture services can assist with.

Facilities at Very Lasalle include a Large Swimming Pool, Fitness Centre, Library, Shuttle Bus service to Skytrain station, Keycard access with Facial Recognition, 100% Allocated Parking.

We strongly recommend Very Lasalle for personal

users that require affordability and space, or first time investors in Bangkok looking to enter the market with a unique project at great value. View less
