A Success Story
Laguna Beach Resort 2 has sold exceptionally well since the project went to market in December 2011. In just over 6 months it has sold over 750 of the 1,100 apartments available. Buildings A and B are virtually sold out, whilst availability of pool-side and city-side units in buildings C and D is diminishing rapidly. Prices have appreciated significantly since pre-launch.

Optimised Design

A key factor positioning this luxurious resort development ahead of the competition is the fact that the four buildings are all strategically positioned at the outside of the plot, allowing for an open area of over 5,000 sqm inside the development. With distances of up to 75m between buildings, the unobstructed views from the interior units of the lush landscaping, lagoon canals, Olympic-sized swimming pool & white sand beach will be nothing short of spectacular.

Winning Formula

Laguna Beach Resort 2 follows the winning formula of Laguna Beach Resort Jomtien but on a larger scale. It is a 4-building resort condominium, with a total land size of 13,000 sqm and various pool areas

comprising over 2,500 sqm. View less
