1 bedroom / 1 bathroom at The Line Jatujak Mochit on 34th Floor available for Rent. Fully Furnished including TV, Fridge, Microwave, Washing Machine. Balcony Accessible from the kitchen. Floor to Ceiling Windows and City View. Only 500m to Mo Chit BTS Station.

With a location that has such heavy traffic, it is fortunate the project is so close to the BTS to provide a fast and efficient mode of transportation, with which your easy conveyance to other parts of Bangkok and the surrounding areas is assured. This is in line with how the urban way of life has developed and the designers of the project have been motivated by this ecosystem of connectivity, whilst still keeping safety, attractiveness and the daily routine of consumers at the forefront.

The designers of the project have therefore communicated the identity and context of their inspiration keeping in mind teenagers and working people that have great mobility, and who desire comfort, convenience and ease of travel. Another factor influencing the design is to have a suitable space that is striking and pleasant, with fresh green areas for relaxation. The designers have therefore selected materials that communicate the ambience clearly to create interest, beauty and usefulness for the end-user. For instance, there is a green area for playing sports or to relax in and a seating area for mingling in the centre of the garden and pond.

The textures of materials were selected during the design process to communicate regional landscapes that depict rail travel as the ultimate rapid transportation method, which can take you to multitude locations with varying scenery, perfectly complimenting the project's location as it is so reliant on the train for travel purposes and resident's desires for mobility and convenience. This will help improve the variety of uses in each area.View less
