Ideo S93 is a new residence in the upcoming area of Bang Chak – Sukhumvit Soi 93. Themed on a concept of “Active Living”, this funky residence is only 250m from BTS Bang Chak. Ideo S93 is being developed by one of Thailand’s largest public listed developers with a strong track record which is ideal for investment security.  
The residence is a high rise project with 3 joined buildings – Building A (38 floors), Building B (27 floors), Building C (17 floors). In total there are 1,332 residential units making this project an impressive landmark on the skyline. Ideo S93 has an abundance of facilities including 2 lap pools on the 5th floor, kid’s pool, play room, co-working space, mini market, coffee shop, multi-use sports court for basketball / volleyball / futsal, outdoor exercise equipment, and a lengthy 500m jogging track which flows around the perimeter of this large plot of land.

Ideo S93 is clearly aiming towards the younger generation who are keen to maintain an active sporty lifestyle, an identity we have not seen in any other condo's in the market. This project is an ideal investment as the demand for properties near BTS skytrain is always strong and we find the pricing to be better than most competition this close to the skytrain. View less
