Wong Amat Tower provides buyers with the perfect opportunity to purchase in a luxury tower development, located immediately behind the beach in Naklua/Wongamat – Pattaya’s most upmarket and desirable location.

Most similar projects in this incredibly popular area are priced at least 20% higher than Wong Amat Tower, which means that apartments here are excellent value for both investors and lifestyle buyers alike. Due to the scarcity of building plots right on the beach in the Wongamat area, prices for this location are the highest in the Pattaya area and are only going to continue upwards as demand continues to exceed supply by a wide margin.

The majority of apartments in this 38-storey tower offer stunning views of the sea and surrounding area and all will benefit from the long list of amenities that are offered by the development. At the rear of the site is a large multi-storey car park which offers ample parking for both cars and scooters. The tower itself welcomes visitors with a stunning 13 meter

high lobby area which also contains a fully-equipped business centre. There is a shaded pool at the base of the tower, while those who prefer to swim in direct sunshine are sure to enjoy the rooftop infinity pool set within a landscaped terrace, from where the views are simply breath-taking. Those who prefer swimming in the sea or lazing on the golden sandy beach are able to do so as one of the finest beaches in Wongamat is just 100m from here.

Wong Amat Tower offers buyers the last opportunity to purchase a luxurious one-bedroom apartment with stunning sea views for under THB 5 million, so don't hesitate if you want to take advantage of this excellent value opportunity of purchasing in this highly popular part of Pattaya. View less
