V Tara is an exciting release for 2016 in the highly established and popular expat area of Thong Lo - Sukhumvit Road. Located on Sukhumvit Soi 36, V Tara offers buyers the most affordable way to enter this high demand area by under cutting the prices of a huge portion of competing projects.

The project consists of five eight-story modern-style buildings, landscaped gardens and spacious communal areas on a sizeable land plot of 6,400 m². Under the atrium garden, there is an 11 meter wide, 42 meter long luxury infinity pool. Other facilities include onsen spa, children's pool, fitness centre, communal gardens, covered parking.

It is important to note that Soi 36 will be home to a new metro station on the new grey line within 5 years, which will be just 300m from the project! Soi 36 will also have a new shopping centre developed so there is plenty to look forward to in terms of increased value over a 5 year period. Thong Lo has all the lifestyle amenities you need within a very short distance, shopping centres (Emporium District, Terminal 21, Gateway), supermarkets (Tesco, Big C), international hospitals. Thong Lo is also considered the best area for dining and drinks in Bangkok making it a real hit with the already flourishing expat community.
