A key feature of this project is the location - only 150m from the BTS station Saphan Khwai on the Sukhumvit line, and just 500m from Bangkok's most famed Chatuchak weekend market – otherwise known as “JJ Market”. Furthermore, the MRT underground station Khamphaeng Phet is just 500m away providing incredible access to all parts of the city. The area is dotted with sprawling parks and gardens which provide a uniquely different aspect to Bangkok lifestyle, suitable for families. Due to increasing demand the area of Chatuchak has seen most new projects enter the market at notably high prices. Ideo Phaholyothin Chatuchak offers uniquely good entry

rates and as a result is one of our best value projects in this area.
