This is among the most prime positions in the city due to Asoke being an important intersection for public transport where the MRT and BTS lines meet and joining Central Sukhumvit with the new Rama 9 CBD. Esse Asoke is only 20m from MRT Petchaburi, just 300m from Makkasan Air Rail Link, and 900m from BTS Asoke.

Make no mistake, this is premium land and therefore new projects are tailored towards the higher end market. Esse Asoke answers to the demand of overseas buyers who require more living space than the small generic units that are so common in Bangkok. The unit sizes offer more substantial spaces for comfort, yet still this location has great prospects for investors seeking high rental occupancy and asset growth.

Esse Asoke is a luxury high-rise building of 55 floors and a total of 419 residential units. Units

available are 1 Bedroom (37m² – 53m²), 2 Bedroom (75m² – 84m²) and Penthouses (104m² – 195m²). There is an outstanding range of facilities at Esse Asoke including: 1600m² garden, grand lobby, 33rd floor swimming pool, jacuzzi, kid\'s pool, fitness centre, golf simulator, steam rooms, reading chamber, skyscraper deck, sculpture garden, and business centre with board rooms.
