There is an abundance of facilities at The Line 101,
due to the project's concept of co-working /
co—recreation / co-lifestyle - which brings together
a sense of community. On the ground floor there is
the welcome lobby and the co-working space. On
the 5th floor you will find a large swimming pool,
kid's pool, jacuzzi's, garden, co-kitchen, fitness
centre, laundry room, changing rooms, steam room,
and game's room. On the rooftop you will find
panoramic river views, a jogging track and an
amazing feature – the LED sports court. Depending
whichever sport you want to play – tennis,
basketball, football, the glass surface will change
with the simple push of a button using LED lights.
This is the very latest in sports technology!View less
