If you are looking for something special with a different class of architecture, interior design and attention to detail, Khun By Yoo could be the perfect project for you.

Situated in the heart of Thong Lo – Sukhumvit Road, this area is firmly established as one of Bangkok\'s premium and wealthy residential districts. Thong Lo is the trend setting, vibrant part of Bangkok - famous for it\'s food, hip lifestyle and especially popular with Japanese expats. Khun By Yoo capitalises on this opportunity to add a bespoke residence in the heart of this community.

This 27 floor high-rise project is backed in association with the BTS Group and Thailand\'s leading developer. The architect is founded by international property entrepreneur John Hitchcox and the world\'s most prolific designer Philippe Starck. yoo Worldwide is a property development brand that specialises in residential and hotel design

offering the creative visions of world renowned designers Philippe Starck, Marcel Wanders, Jade Jagger, Kelly Hoppen, Steve Leung and the internationally acclaimed yoo Studio. yoo helps developers compete successfully through unique, inspiring design and branding and marketing. yoo's experience spans 49 different projects in 24 countries, throughout Asia, Africa, Australia, Europe, North and South America and the Middle East.

Reflect your individuality through architecture and design. Inspired by the industrial heritage and the distinctive lifestyle of Thong Lo, KHUN by yoo incorporates outstanding creativity and opulent amenities that promise to deliver an incomparable place to call home. These include: garden's with water features, white marble lobby, 30m swimming pool, kis pool and jacuzzi on the 24th floor with 180 degree city skyline view, state of the art gym, lounge with panoramic views, private cinema, and games room. Other interesting features are the "100% car parking system" and electric vehicle charging stations.

With a copper core running through the heart of the building, flashes of raw concrete and encased in full height insulated glass, the design gives the façade a distinctive elegant and luxurious appearance. yoo inspired by Starck have designed every corner of KHUN by yoo with a focus on you, the ultimate objective being to bring good design into the home and making it elegant, intelligent and accessible. The living room and balcony have been seamlessly designed making the most out of the space. The striking marble bathrooms are fitted with top of the range sanitary ware from brands such as Axor and Duravit, with every apartment housing a bath and Hansgrohe rain shower. [View less](#)
