Introducing the essence of loft apartment living in the heart of Asoke, discover your new home, where work, play, community and exclusivity all intercept. Loft living begins when the artist, fashionista and those who make their own trends recognize an area for its unique charm and style before anyone else. Asoke is no different. Set in prime Sukhumvit, surrounded by the city's fine shopping, cafes, dining, schools and hospitals, you will be part of a dynamic neighborhood, where every part of your life is literally within walking distance. And if it isn't, the subway and sky-train are next door. For the global traveler, the airport is minutes away using the airport link. Asoke is the ultimate intersection. From street food and nightlife, to embassies and the energy that comes from being part of a city of contrasts. And with the upcoming Makkasan Complex as a new business center and communication hub, Bangkok's Rama IX as a new city CBD, the grand Rama 9 with Asean's tallest building; Super Tower and old buildings refreshed, Asoke will be literally where the old meets the new. This is the place to be. The facilities at The Lofts Asoke are spread throughout the project. On the 2nd/3rd floor you will find the lounge and co-working space. On the 4th/5th floor there is a fitness centre and garden area. On the 31st floor is the main swimming pool facility with garden offering a stunning view of Bangkok. Finally on the rooftop (45th floor) there is another garden offering that extra bit of space and an amazing area to chill out in the sky. View less
