Despite being just a couple of kilometres away from Bangkok's main business and shopping districts, the unique location of 185 Rajadamri offers spectacular views over greenery which it is impossible to find anywhere else in Central Bangkok. To the south of the building is the beautiful Lumpini Park, the 'Central Park' or 'Hyde Park' of Bangkok, making this location the equivalent of the Upper West Side in Manhattan or Park Lane in London's Mayfair. To the east is more green, open space in the form of The highly exclusive Royal Bangkok Sports Club, featuring a horse racing track and a beautifully maintained gold course. With 185 Rajadamri being a 35-storey tower development, views from the upper floors are among the very best that it is possible to find in the centre of Bangkok.

185 Rajadamri offers a selection of facilities in keeping with its most prestigious location, including a roof garden and large infinity pool on the top level so that everyone is able to enjoy the stunning views available from the location. View less
