You only need to bring your personal items!The development is located in the highly popular Khlong Toei/Sukhumvit part of the city, with easy access to a variety of shopping and entertainment options. For those who need to take a break from the bustling city from time to time, the beautiful greenery and lakes of Benjakiti and Benjasiri Parks are less than 500m from here.Also less than 500m from Aguston is the Queen Sirikhit Convention Centre and the Stock Exchange of Thailand, which means that the development is a highly popular one with rental tenants – for both short-term and long-term rentals. Queen Sirikhit BTS Station is also less than 500m from Aguston, making it a quick and easy journey to get into Bangkok's downtown area.As well as its fascinating and unique architecture and highly convenient location, another factor which makes Aguston such a desirable place to live is the amazing amount of facilities that are available to residents here. Aguston has all of the facilities that are expected from new developments on sale in the city – including two large swimming pools with excellent views over the city, a fully-equipped fitness centre, jacuzzis, saunas and steam rooms, but it also offers several facilities which are probably unique in all of Bangkok. These include a bowling alley and even a golf room with electronic golf simulators.View less
