Sea Views - Only 150m from beach! Acqua consists of just two L-shaped buildings which will contain just 309 units. This is the developer's third project in Pattaya, having previously had great success with their former projects of The Gallery and The Urban, both located in Central Pattaya. Sold Fully Furnished!

Located just to the west of the new Jomtien Second Road between Soi 8 and 9, the beach is a mere 150m away from Acqua, reached by strolling down a quiet private road, which is closed to vehicle traffic. Most of the south-facing apartments on the higher levels of the development also have sea views down this road.

As well as being unique in terms of location and because of its more intimate nature, Acqua features stunning architecture which really sets it apart from the more generic-looking buildings of its competitors due to its unique 'wave' design, featuring irregular-angled balconies.

Despite the smaller size of the development, Acqua offers all of the facilities that you could expect to find on much larger developments in Jomtien. As

well as a large pool at ground level, with a dedicated paddling pool area for kids, there is another infinity pool upon the roof as well as a jacuzzi, both of which are set in the development's 'Sky Garden', offering 360 degree panoramic views of the sea. Keep fit fanatics are spoiled for choice here as Acqua features not only a fitness centre, but also a sauna, yoga room and a dedicated jogging track. Those who need to mix a little business with their pleasure will also benefit from Acqua's dedicated business centre and high-speed internet access to all apartments. The development also offers some other facilities that are fairly unique, including a library, a games room and a dedicated barbecue area. Another additional major benefit of Acqua is the excellent payment plan that the developers are offering. Buyers at Acqua don't need to pay the final 50% of the price until handover, which is planned for the end of 2014, giving them plenty of time to pay. All apartments at Acqua are sold on a fully-furnished basis. In summary, Acqua is the ideal choice for anyone who likes the relaxed atmosphere of Jomtien with its long, sandy beaches and who is looking for a smaller, more intimate development than are offered by the major resorts here.
