If you are looking for an entry level investment that is both affordable and close to the public transport network, then this is the project for you. The value of land near to the Bangkok metro system is known for it's high growth potential and can often be considered too expensive, but The Rich Park Triple Station breaks this trend – in style!
This residence is in an up coming area with links to four key districts, all within very close vicinity for commuters - Asoke: Business CBD / Hua Mak: Education & Healthcare / Suvarnabhumi: International Airport / Latkrabang: Industrial Area.

The 3 Stations, all less than 100m from the residence....

Rich Park Triple Station is located only 80 metres from the existing air rail link station – Hua Mak. This is just 10 minutes (2 stops) from Makkasan, Asoke and 20 minutes (4 stops) to Suvarnabhumi Airport. The new line will provide a much needed link from Ratchada to extended areas of Sukhumvit. New line is due for completion in 2019.
There is a third station for the SRT Train Link from Hua Mak to Sala Ya, also 80m from the project.

The Rich Park Triple Station is an attractive modern style high residence with 37 floors and 1,084 residential units. There are only 1 bedroom condominiums available in the project ranging from 28m² up to 35m².
