However, for those times when you do want to enjoy all that Central Pattaya has to offer, it can still be reached.

Located only 200 meters from the beach next to La Royale and just behind Centara Grand Residence, Nam Talay is easily accessible from Sukhumvit Road, with its wide selection of entertainment and shopping options, as well as a quick and direct link to Bangkok.

Coming from Pattaya's most experienced developer, Nam Talay consists of two condominium buildings built on a large plot of land. Tower A will be constructed first and consists of thirteen floors and 525 apartments.

Apartment sizes at the resort range from 26.02 sq.m studios up to 71.85 sq.m two bedroom units, with various one bedroom sizes in between, with some of the most affordable starting prices that you are likely to find in the city

Almost all of the outside units will have outstanding sea views over the Sattahip islands down to Ocean Marina. All of the inside units will have views over the 25m pool and tropical gardens, and also the facing pool from Tower B when it is completed. All units will be tastefully finished with quality

bathrooms, kitchens plus wardrobes as standard, along with air-con, fully finished floors, ceilings and electrics.

Others features will include a 25m pool with waterfall and sunbathing areas, tropical gardens, off-road parking, four elevators, a fully equipped gym, a luxurious lobby area, not forgetting the re-assurance of 24-hour security.

Priced similarly to the resorts of Jomtien and with a similar variety of facilities, Nam Talay is a good choice for anyone looking for affordable sea views. [View less](#)
