Description: This sizeable condominium is positioned on the 1st floor of the Panora development building. Surin and Bangtao Beaches, as well as nearby eateries and

retail outlets, are all within an easy walk or drive.

The condo interior features a bedroom, bathroom with shower, a modern open kitchenette, and an open-plan living and dining area. There is between the bedroom and living areas a sliding partition, that can be closed off for privacy or opened to create a larger, open plan space.

A sliding glass door opens onto a size ample, partial hill view balcony, that is ideal for seating and relaxing whilst enjoying the cool breezes and view.

This condominium is an ideal choice for property investors or as a permanent, homely residence.

Location:

The Panora condo development is located just over 5 minute drive to the nearest sandy beaches including Surin and Bangtao. A number of restaurants, cafes, shops, convenience stores, and some low-key nightlife are all within a 10-15 minute walking radius of the development. The Laguna Phuket Resort Complex with its 18-hole golf course and 5-star resort facilities can be reached within a 10 minutes car ride.

It is part of a rental program in the resort which pays 7% per year to the owner and still allows the owner to use the condo for 4 weeks every year.
