5 Year Rental Guarantee Available (subject to confirmation on completion)

If you think that is just a clever sales spin, check how incredibly competitive the pre-launch pricing is for the location in the heart of Sathorn - the Hotel / River / Financial district of Bangkok. We anticipate this as our best new release offer for 2016.

The Blossom is a resort style project built by one of Thailand's largest development companies, it covers a large 7 rai plot of land comprising of 5 residential buildings with gardens, swimming pool, fitness centre, bar and lounge facilities throughout. As a low rise project each building will have 8 storeys and sizes of condo range from Studio, 1 Bedroom, and 2 Bedroom units. There is also an exclusive selection of "1 Bedroom Duplexes" for living across 2 floors.

The investment returns are fantastic when you couple the rental guarantee together with the expected growth on these low price offers. The deposit requirement is just 25% and nothing more until completion in 2018!
