The Laguna Beach Resort series of projects are the best-selling developments in Pattaya due to a combination of great value for money apartments matched with a wide range of facilities similar to those that you would expect to find at a five-star resort hotel. The latest development in the series – The Maldives – is bigger and better than its two predecessors, a gigantic resort covering 25,000m². The facilities on the resort cover a massive 15,000m² in total, most notable of which is the huge lagoon pool in the centre of the site covering an area of 5,700m². In and around the pool are numerous landscaped islands, three white sandy beaches, boardwalks, pavilions together with plenty of sunloungers and day-beds. The whole area is surrounded by the seven buildings which comprise the resort, all of which are a generous 120m from each other to ensure that there is plenty of direct sunlight on the pools and on all balconies. There is a good selection of different-sized apartments to choose from, starting at affordable

studios and a wide range of different-sized one-bedroom units which can be combined in order to form larger-sized units.

Here the inward-facing units have beautiful views across the stunning lagoon pool and tropical gardens, while outwards facing units have views across parkland and the greenery of this part of Pattaya, with several higher-floor apartments also benefiting from sea views across Jomtien Bay.

The range of facilities on offer at Laguna Beach Resort 3 will be a delight for both adults and children alike, including a go-kart track, treehouses and many other attractions, one of the most notable and original being a golf putting green.

Completing the facilities at the resort is a wide selection of shops, bars and restaurants, together with ample and easily-accessible underground parking. There is also a luxurious open-air lobby, several fully equipped fitness centres plus relaxing massage and spa areas. With this variety of entertainment and relaxation options, life at Laguna Beach Resort 3 – The Maldives is certain to be a truly unique experience. [View less](#)
