View more Serio Sukhumvit 50 is an elegant and modern low rise residence in a superb location along Sukhumvit Road – just 300m from BTS On Nut sky train station. This low rise residence has only 154 residential units spread across two buildings, each with 8 floors. It is a perfect time to buy in this location with exceptional growth on the horizon. Serio Sukhumvit 50 is located in the heart of the Sukhumvit area with superb access to all parts of the city. Many will know that Sukhumvit Road has side roads, locally known as “soi’s” that have numbers (ex: soi 24). Certain soi’s become more famous than others, such as Soi 3 (Soi Nana), or Soi 55 (Soi Thong Lo). Sukhumvit Soi 50 is already the latest famous number on that list. This is due to it’s superb expressway and sky train access allowing direct links to the airport and all parts of the city. Soi 50 is also where you will find Sukhumvit Road’s largest super market – Tesco Lotus. The area is known as On Nut and the project is just 300m from BTS On

Nut sky train station. There is no doubt Soi 50 is an essential artery in the network of Bangkok roads which is why we are seeing a big infrastructure boost and the land value is set to go up significantly. The units on offer at Serio Sukhumvit 50 include Studio (22m<sup>2</sup>), 1 Bedroom (27m<sup>2</sup> – 41m<sup>2</sup>), and 2 Bedroom (49m<sup>2</sup> – 50m<sup>2</sup>) types. Each unit has a digital door lock and is designed with a modern, minimalist theme to allow for more comfortable living spaces. The facilities here include a library and a fitness centre that overlook a beautiful swimming pool and garden on the ground floor. There is also a communal laundry room and wifi points throughout the project. View less
