Mori Haus is the latest "resort style" addition to the exclusive and highly unique gated residential community "T77" which is located off Sukhumvit Soi 77 - approximately 12 minutes walk from On Nut BTS. At a glance, one may consider this as yet another new trendy condo in Bangkok... but look closer and it becomes clear just how attractive the T77 community is, featuring a picturesque canal, spacious green areas, Bangkok Prep International School and on-site community mall "Habito" which features: a host of cuisines, 7/11, SCB Bank, AIS, Boots, Dental Clinic and much more. You will not find another residential atmosphere like it in the crowded Sukhumvit areas on Bangkok.  
Mori Haus is considered one of the higher standard

residences of the seven that exist within this carefully planned community and that is reflected in the larger than average unit size on offer. This project is built on 4 Rai of land featuring two low rise buildings of 7 floors with spacious green areas throughout. There are only 262 condos where buyers can choose between 1 Bedroom, 2 Bedroom and 3 Bedroom units. The features here are top notch with a well planned large swimming pool area, fitness centre, 24 hour security and BTS tuk tuk scheduled regularly for residents. What you'd usually expect from Thailand's leading developer...View less
