There is an abundance of facilities at The Line 101, due to the project's concept of co-working / co—recreation / co-lifestyle - which brings together a sense of community. On the ground floor there is the welcome lobby and the co-working space. On the 5th floor you will find a large swimming pool, kid's pool, jacuzzi's, garden, co-kitchen, fitness centre, laundry room, changing rooms, steam room, and game's room. On the rooftop you will find panoramic river views, a jogging track and an amazing feature – the LED sports court. Depending whichever sport you want to play – tennis, basketball, football, the glass surface will change with the simple push of a button using LED lights. This is the very latest in sports technology! View less
