An area of Sukhumvit Road which is rapidly progressing yet prices are still low enough for a superb investment. Knightsbridge Prime On Nut is a towering residence set to dominate the skyline of the popular district of On Nut, Sukhumvit Road in Bangkok. This 47 storey tower is positioned on Sukhumvit Soi 77 directly next door to Big C Shopping Centre and Supermarket, just 750m from BTS On Nut Station. It is also useful to note the impressive T77 community with Habito Shopping Mall and Bangkok Prep School is directly opposite the residence too.

These include a stunning infinity edge swimming pool with panoramic views, pool bar, lounge areas,

business lounge, fitness centre, games room,
