Esse Singha Complex is launched by the same esteemed developer as Esse Asoke, both projects are on neighbouring pieces of land. Esse Singha Complex is directly on the corner of Ratchadapisek Road and Petchaburi Road, in the highly established district of Asoke. This is among the most prime positions in the city due to Asoke being an important intersection for public transport where the MRT and BTS lines meet and joining Central Sukhumvit with the new Rama 9 CBD. Esse Singha Complex is directly on the doorstep of MRT Petchaburi, just 300m from Makkasan Air Rail Link, and 900m from BTS Asoke.

Esse Singha Complex consists of two high-rise buildings, one for office & retail, and the other for the exclusive residences. All the amenities you will possibly need are on your doorstep here without the need to venture outside the complex. This is Grade A living and working in the heart of the city, ideal for lifestyle or a rewarding investment. This project caters for the luxury market with unit sizes larger than what is typical in Bangkok.

39 floors with a total of just 319 exclusive units. The units come in a range of sizes: 1 Bedroom (34m² – 47m²), 2 Bedroom (70m² – 77m²), and a Penthouse (215m²).
