The Peak Towers is the perfect location who wants perfect sea views from their apartment and who also wants to be in the quiet and relaxing, up-market environment of Pratumnak Hill yet still just a few minutes away from all of the entertainment options of downtown Pattaya.

This development consists of two adjoining towers of 30 and 29-storeys. With no other high rise buildings close to The Peak Towers, the perfect views from the higher floors are barely broken, with the vast majority of apartments having clear views either towards Jomtien or towards Cosy Beach.

Located on a quiet road, The Peak Towers is just 300m from the sea. The development is just up the road from the exclusive Royal Varuna Yacht Club for those who would like access to a private beach. Otherwise, continue on for another hundred metres and you get to the stylish and popular Cosy Beach. For shopping and a variety of upmarket bars and restaurants, Kasetsin Street is just a five minute walk

from here.

Naturally such a luxurious development has a wide range of facilities to appeal to those who wish to remain on site. With a good sized plot that The Peak Towers is built upon, the development boasts two swimming pool – a large one on ground level above the ample car parking, and an infinity pool on the roof from where there are breath-taking sea views. The project also offers landscaped gardens including a children's play area, a rooftop gym and exercise area, plus an on-site restaurant. For those who need to mix business with pleasure, all rooms have free wifi and there is a business area in the impressive-looking lobby area.

In summary, The Peak Towers is an ideal choice for those who want the best views from this highly attractive and convenient part of the city for living. View less
