Unique Opportunity! The Biggest Mixed-Use Hotel / Office / Shopping / Residential Project in Rama 9 – the new CBD of Bangkok.
Developed by BANYAN TREE GROUP with optional Rental Management....
Cassia Rama 9 and Siamese Rama 9 are the two iconic branded residential towers with exclusive services within this ultimate mixed-use project that comes completed with hotel, offices, residences, shops, and is situated only 1 minute walking distance from the orange line MRTA Station for simple and easy access to every area of Bangkok (new MRT opening 2023). Complimented with Co-Working Space, activities area and retail spaces comprising of more than 2,000 Sq.m., the project is beyond anything conceived before in this location by combining the ideas of a leading design firm and extending it to your living units which are inspired by the 5 great metropolis' of the world being Bangkok, Tokyo, Stockholm, Paris and New York, making Siamese Rama 9 the lifestyle icon which shines with innovative technology enabling you to live a superior way of life and give you the zenith on

your return on investment.

The Rama 9 zone is Bangkok's new CBD, the true location of the future. Complete with constant growth and development that is strong and unrivalled in every way. All travel solutions are featured in this area including Airport Link, Motorway, major and minor roads extending to major leading offices, shopping malls, hotels and high end residences. In 2023, the government will complete its expansion plan for the orange line MRTA connecting further to the west and east of the capital, enabling further economic growth and a greater standard of living. We can conclude that the Rama 9 area is the one strategic location in the city that cannot be overlooked, complete with the new business and education hub of Bangkok.

Cassia Residences Rama 9 will be the neighbouring tower to Crowne Plaza Hotel and Siamese Rama 9 Residences within this fantastic mixed-use project. Cassia Residences features 3 inter-connected towers (18 floors, 38 floors, 29 floors). There are a total of 1,674 residential units partially furnished featuring smart technology such as: air ventilation technology, sound proofing, smell protection, heat resistance and easy maintenance.

There are a vast selection of stunning facilities & amenities that include gardens, swimming pools, library, co-working spaces, fitness centre, sauna / steam room and more....
