Ideo New Rama 9 is a brand new launch by Bangkok's leading public listed developer. This project is labelled "New Rama 9" as it is located in the fast developing extension of the already established Rama 9 CBD of Bangkok. Located on Ramkamhaeng Rd., this is a key district for universities where many students both local and expat already live and study. This location has a future metro system coming, the orange line MRT, which is in progress with the stop named "Ramkamhaeng 12" just 380m from the residence - a very strong asset for the future! The location is also 800m from the main railway station ARL Ramkamhaeng station and 800m from Pier 3 for those who prefer to travel by Kloeng Boats (canal boats). For drivers, there is very convenient road tollway access to all parts of the city. Finally, this location also features the famous Rajamangala National Stadium.
