Resort living in Sukhumvit Road, Bangkok. Built by Bangkok's largest developer, Unio Sukhumvit 72 is simply a fantastic value project in a rapidly developing part of Bangkok. For those with a limited budget or investor's looking for the best entry level prices, this offer is not to be missed. This is by far our best value "price per m2" in the city.
Unio Sukhumvit 72 is located just 600m from BTS Bearing Skytrain station on Sukhumvit Road – soi 72. Bearing is in the Bang Na district which is soon home to Southeast Asia's biggest shopping centre – Bangkok Mall. This area is nearby Suvarnabhumi Airport and is the leading district for international

schools. It is also important to note that the BTS line is being extended here a further 7 stops which signals continued development for the future.

Unio Sukhumvit 72 occupies a large parcel of land allowing for a resort style project with 5 low-rise buildings surrounding gardens, 2 swimming pools and pavilions at it's heart. This is uniquely different to the smaller generic low-rise buildings with less facilities that buyers have become used to in Bangkok. The residence has a total of 987 units available available in Studio (22m²), 1 Bedroom (27m²), and 2 Bedroom (40m² – 69m²) types. There are special duplexes for the 2 bedroom type that cover 2 floors.

Facilities are on the ground floor here featuring two large swimming pools and communal pavilions in the centre of the project, a common room, jogging track, gardens, 3 shops, kid's room, laundry rooms, and a scheduled shuttle bus to BTS Bearing skytrain station. View less
