1 Bedroom 1 Bathroom. Located on 31st Floors.
Elio Del Nest is located in the new upcoming business district of Bang Na on Sukhumvit Road, 750m from BTS Udom Suk sky-train station where there is plenty of new commercial development including the existing BITEC Convention Centre and future Bangkok Mall (SE Asia\'s largest shopping mall) all linked by a skywalk.
This is an ideal entry-level project for investors who wish to keep their financial commitment low and to stay secure with a well established developer. Elio Del Nest stands out significantly from other low cost developments in the area because it is a resort style project with 7 high rise buildings from 23 to 35 floors surrounding the massive swimming pool, gardens and sprawling communal clubhouse / parking building where the exterior design resembles a bird\'s nest. This is more of a spectacle than your average high rise project in this area.
Facilities at Elio Del Nest include: Two large swimming pools, gardens, ponds, fitness centre with virtual fitness equipment, kid\'s playground, shops on premises, restaurants on premise, co-working spaces, meeting rooms, laundry, BTS shuttle service.
